

Our PV Community Garden Plot Rental Application 2012

I would like to rent:

- one garden plot (two 4' x 15' sections) \$75 + \$25 refundable cleanup deposit
- 1/2 garden plot (one 4' x 15' section) \$40 + \$15 refundable cleanup deposit

I agree to abide by all the garden rules (which have been printed out, signed and are being mailed with this application), and realize that failure to abide by these rules may result in forfeiture of my garden plot, and that, in this instance, the rental fee will be non-refundable (as will be the cleanup deposit unless the plot is cleaned up). I also agree to volunteer a minimum of 20 hours (between February - November, 2012) in the community garden.
